Project Documentation & Management

ACHIEVEMENTS

- Dean's List Award
(Awarded twice)

JEB-UN-NESA TITHY

SOFTWARE ENGINEERING STUDENT

A software engineering student with hands-on experience in full-stack development and project leadership. Currently Head Designer at Golden Lining Solution, pairing technical skills in Java, Python, and databases with project documentation and management experience.

PROFESSIONAL EXPERIENCE

Golden Lining Solution

Present

Head Designer

- Leads design work and creative direction on ongoing projects at the company.
- Manages project documentation, keeping records organized and up to date.
- Oversees project management tasks, coordinating timelines and deliverables.

PROJECT EXPERIENCE

The_Shelf — Offline Book Management App

Built a desktop app to manage books.

Added features for adding, editing, deleting, searching, sorting, and rating books.

Used Node.js, Express.js, and SQLite.

Packaged the app with Electron for Windows.

AlumniCollabs — Alumni Engagement Platform

Designed a platform for alumni, students, faculty, and admins.

Created ERD, class diagrams, sequence diagrams, and system architecture.

Included announcements, events, attendance, mentorship, discussions, and analytics.
